Review Questions

1. Are you representing a US program, a US institution, or a non-US program or institution?

Will you be seeking programmatic, institutional, or general accreditation?

Are you representing a multi-site organization?

2. Review your eligibility correspondence; do you have any questions about what will be included in the CEA review and accreditation process?
3. Which program or program(s) are included in the scope of review by CEA? List them below.
4. What questions or thoughts do you want to raise at the workshop about scope and how it affects you and your review?
